

It's a Zoo

Rugby is a game that can age one in a hurry, so it's no wonder the locals call themselves the Buffalo Old Boys. Make no mistake, this is not a game for the aged.

The Old Boys' game for the weekend is today at 1 p.m. against the Stoney Creek RFC of Ontario in Delaware Park. Most appropriately, this wild game is played across from the zoo. If you are mildly curious, or you just want to see a rogue's game played by gentlemen, Delaware Park is the place to be.
