To the Members of the Buffalo Old Boys:

I would like to take this opportunity to express my thanks for a rewarding and exciting year spent with the Old Boys. Although saddened at departure, I feel my experience with the team shall be beneficial to me in Rugby and the future. The Old Boys are a skillful club, but more importantly they are comprised of individuals with excellent character. And it is this character, that shall make me speak of the Old Boys in the highest regard.

Sincerely,

Tommy Mc Donough
