Dear Steve

Just a line to let you know that our party returned safely to London.

I would like to take this opportunity to thank you personally for all the hard work in completing the arrangements for our recent tour and making our stay in Buffalo such a memorable one.

Everybody in the party agreed that the tour had been a great success and the hospitality we received was first class.

Kindest regards to Oscar, Tom and all the many friends we met in Buffalo should the Buffalo Old Boys ever visit England we would be delighted to see you.

Yours sincerely,

Ala Reynolds
