Dear Mr. Bonayne,

The University of Buffalo Rugby Club would like to ask you a favor. We would like to play in the Canadian league next fall on the intermediate level. The intermediate league seems the best since we are still a bit inexperienced.

Since I don't know the head of the league could you contact him and have him drop me a line with the details for admission to the league.

Sincerely yours,
Jack Krawewski, Pres.

Dear Jack, Have passed your letter to Sandy Grant, Resident of Ontario Rugby Union, who will forward you details of the League for this year.

Regards
Gerry Bonayne

Dear John,

The airlines strike was a bit of a blessing in disguise for you as it gave you a chance to get my last and this letter before heading for New York. Your letter of July 11 sounds most encouraging but don't be disappointed if progress at first is slow and tedious. You are quite removed geographically from any other U.S. clubs but others will come along soon.

Did I give you the name of Dr. John Bergfeld at Cleveland Clinic in Cleveland, Ohio. True, that is going the other direction into the Midwestern Rugby Football Union area but maybe a game with them would be helpful.

Its hard to know who will be around New York City on a summer week end but try:

John Wellington of Old Elue

Sam Rodd of Westchester

Derek Robinson of Manhattan

Dr. Dale Hopp of NYRFC
Scarswold - Garth Road

Mark D. Barrett of Fordham

We will keep you and either Roger Frye or Francis Bates up to date on all activities.

Best of luck,

Edmund W. Lee, President
