

Vikings defeat Buffalo

BUFFALO — The Finger Lakes Vikings Rugby Club continued its winning ways with an 8-4 win over Buffalo-Older Boys Saturday.

The Vikings scored first toward the end of the first half when Tim Clemenson took the ball in for a try (touchdown). The Vikings then got the ball in the end zone when Mike Bianci cut through the Buffalo defenders for a score midway through the second half.

Buffalo came back with a score after that, but the Vikes held on for the win.

The Vikings travel to Oswego this weekend to play the Oswego Wizards. The following week, the Vikes will compete in the annual Upstate Rugby tournament in Albany.
