Dear Mr. Krajewski:

Your inquiry to Miles Hudson in California on starting a Rugby club in the Buffalo, N.Y. area has come to us and we are delighted to learn of your interest. Needless to say we will do all we can to assist you.

Enclosed is the collection of material we send to everyone interested in starting a Rugby club. The booklet "Rugger-How to Play The Game" is by far the best layman's handbook. You can get copies at 50¢ each from author Derek Robinson, 161 E. 91st St., N.Y., N.Y.

Your biggest initial job will be recruiting. Contact the news media - newspapers, radio and TV as well as the Consulates of Rugby playing countries and the local colleges.

Also contact Lionel Young of the Ontario Rugby Football Union at Monarchwood Crescent, Down Mills, Ontario and Gerry Ronayne of the Nomads RFC at 49 Hillmar Dr., Downsville, Ontario.

We have training films free of charge except postage available on a first come first served basis. Other films can be obtained through the Consulates or the Ontario RFU.

You can get help from clubs in Rochester, Plattsburgh, Cornell and Dr. John Bergfeld at Cleveland Clinic.

The enclosed address list is a bit out of date as it was issued in October 1965 but it is still useful.

Please keep in touch with us with progress reports and let us know how we can help you. Good luck.

Sincerely,

  
Edmund W. Lee, President
